TESTIMONIALS. HICKORY GROVE, Ry., January 7th, 1962. E. J. PARK, Esq : I have given your new disporary thor ugh, and, I am glad to say, a very successful to on light stock, without and with bark; also, on heav so's eather with bark, and it has more than met my exectations. The sole leather was completely tanned is hirty five days, and the kip, which was heavy, in eigh ays; and I desire to say, and embrace the opportun do so, in justice to you, that the aystem is clear founded on scientific principles; that the preparatio of the hide for rapid tuoning really strengthons the fiber, and is most decidedly conductve to the productle

in every respect to any with which I am acquainted. Yours, etc., PHILIP BOUGHNER. COLES' CORNERS, Tenn., January 14th, 1862.

E. J. PARK, Esq.: Permit me, sir, to tell you about my experience with your new system of tanning. I supposed yours was a hot process, using a hot oor which I had fully tested, but which I found would no answer the purpose. I was pleased to find that you do conneed the hot come in tamning. I have used back exinsirely, and I have tanged as good sofe leather a ever I sold, in thirty days, by your process, with great deal less labor and with nearly one half less back After I get my bldes haired and free of lime, and pothem in your first mixture, and then put the core on, The business will be continued and settled by the re-GARVIN, BELL & CO. before in a month. I don't want any better system Our resident partner in Memphie is SAMUEL GWYN. than yours; it will perform all and more than you claim Office 94 Front Row. northdawilm for it. The kip which I now fan in ten days I need to work hard to get out in ave months. I am please with it, and believe it will save back enough and labor enough to pay for itself in six months.

Yours, etc., J. V. BRYCE. PETONA, Ark., December 56, 1861 E. J. Patta, Esq. -Sir: Your new system of tunning directed to the advertisement of H. W. JONES & CO., has been thoroughly tested in my tannery. I have tried Wholegale Druggists, No. 228 Main street. api3-ly it with and without back, and I feel great gratification in saying, that, for rapid tunning, excellence of leather INSURANCE COMPANY OF THE STATE and cheapuess, it is beyond all comparison the best method ever in nea. It is simple and easily managed by the most is speed hands. No man can fail to make the best leath-

if he follows your directions. It is snough for me to say that I am perfectly satisfied, and even delighted with your new process. It must prove highly satisfac ory to every one. Yours, etc., RICHARD WILLIAMS. LAWSON'S TARNERY, Tenn., December 28, 1861. E. J. PARK, Esq -Sir: I have been using your new stem of tanning for nearly three months, and I have given it a thorough trial to running sole leather, calf skin, kip and larness leather, and I feel great pleasure

a stating that your new process is superior to any nothed of taxning within my knowledge. The leather is equal to say I ever made, and I have ollowed the business for twenty years, and I can make it fifty per cont chesper than by the old merhod, at within the time claimed by you. In other words, I to now with one-half lars work and in one-tenth of the Yours, etc.,

GON TOWN, Miss., November 25, 1861. E. J. Patte, Eaq. - Dear Sir: I have given your new ystem of tanning a thorough triat, both with and with nt bark, and I feel great pleasure in saying that The leather is excellent and equal to any I ever say while the tanning is done fifty per cent, cheaper and i cheerfully recommend your new process to the conf dence of the public, and to every man who designs on backing in the manufacture of leather.

MADAME POLICIE, PRENCH TEACHER, in this city, will open a SCHOOL on MONDAY, February 3d. The class holds from 10 to 12 in the morning. French c averaging, and all the branche laught, as gramming, groups ladies to perfect their studies in the Trench language, which is an accomplishment as well as seefd, Charge 55 per month. Good references given. Residence on Jefferson street, first house below the Theater.

Barrier in the manufacture of leather.

Yours, etc., J. W. JUSTICE.

E. J. Park, Esq.—Dear Sir: I have been engaged in tagning and manufacturing leather for lifteen years, and may be considered to undarstand it practically as well as theoretically, and I feel it but simple justice to faints below the Theater. to anything with which I am acquainted. It saves a least fifty per cent. of bark when it is used and equally II AVE IN STORM that in goat when no back is employed, and tank in a vastly shorter period than can possibly be done by the old plan. The most important feature, of course, is the great economy, in time and money, and the facility of naing back or tanning without it. The system mus prove satisfactory to any purchaser,

Yours, ste., J. OLDRIDGE, TYRO, Miss., December 2, 1861. E. J. Park, Esq prest Sir: I have been tauning with your new system of tanning and I have succeeded admirably. I am now perfectly satisfied that it will do all that you claim for it, and I tan with or without turk, a one-tenth of the time usually employed by the old process. I feel convinced that it is the cheupest, quickat and best snethod of tanning ever used, and so simple that any person can tan with entire once

Yours, etc., J. C. DAVIS. Miniparty, December 7, 1861. E. J. Park, Esq. - Dear Sir : 1 am a practical tenner and have been following the business for ten years. have always availed myself of every improvement as new discovery to the art, and without digressing into explanatory remarks on the claims of different precesses, or their scientific status, in a practical some, I deem yours the best system ever introduced. With or without burk, it is a great comomiser, and Camdies. no article is used which, in any degree, can possibly injure the fiber. I shall deat truck gratified to see it uni-Yours, etc., versally adopted. . CHAS. TURNER, MEXERIS, December 9, 1861, E. J. Pann, Esq.-Dear Sir: I have become negnable

materia's used cannot in any way injure the sather, and it is fifty per cent, changer than the old method and from ten to twenty times as quick. It is simple and eliminate and any pressure can use it with success.

Yours, etc.,
